## Medicare and Medicaid Assistance

### MMAP

Through the Medicare Medicaid Assistance Program the Area Agency on Aging 1-B has trained staff and volunteer counselors available to address questions on health care benefits including:

- Medicare Part A & B
- Medicare Prescription Drug Plans (Part D)
- Medicare supplemental insurance, also called Medigap
- Medicaid
- Long term care insurance
- Medicare Advantage options
- Medicare or Medicaid fraud and abuse
- Other issues of importance to people in Medicare, their families and caregivers

The Michigan Medicare Assistance Program and support from government through Medicare and Medicaid through the Administration on Aging, the Michigan Department of Community Health, and the Office of Services:

There is no charge for this program. To contact a counselor please call 1-800-803-7174.

### Medicare Part D & Medicare Advantage Plans

Between October 15 and December 7 each year, Medicare beneficiaries can change or join a Medicare Part D plan or Medicare Advantage Plan. To assist beneficiaries the Area Agency on Aging 1-B is holding Medicare Prescription Drug Assistance partnership with several community organizations. Beneficiaries can make appointments with a MMAP counselor who can compare options and help with joining a Medicare Part D plan. #### Help With Costs

##### Medicare Part D Extra Help Program

The Medicare Part D Extra Help program can greatly reduce your prescription drug costs. It's available to people with limited income and resources and helps reduce monthly premiums and annual deductibles for Medicare Part D prescription plans.

##### Medicare Savings Plan

The Medicare Savings Program can reduce or eliminate monthly premiums for your Medicare Part B plan. You may qualify for a Medicare Savings Plan if your income and resources are below certain limits.
